

## About Yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Hi I'm Amy,

I have lived in Eastbourne most of my life and pretty much spent that time stuck in an office so Anderida a very exciting change for me.

I love singing and I am lucky enough to have a fantastic group of friends, I know it's going to be a great time whenever I see them.

I love to travel and try to get away 2-3 times a year whether it's a few weeks in Thailand or a long weekend in Wales, I have recently taken up paddle boarding even though I can't swim!

I love getting to know new people and leaning to understand them, I'm mostly laid back and easy going but everyone has their moments, right?
