

About yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

My name is Billie-Mae and I go by she/her pronouns.

I have previously worked in a range of different mental health settings, including acute and community. My background has revolved around working with adults and I now feel ready to take on new challenges and have had the aim of working with young people since I started my mental health training in 2016.

My hobbies include drawing, painting, and swimming!
