

About yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Miss Kerry Shoesmith

I like to be known as her or she. I have a bit of a mixed heritage, with my dad being from Egypt and my Mum being half German, half Welsh. I love my diverse ethnicity and love being British!

Working with children, young people and the adults supporting them is my absolute passion. I have worked with children and young people for over 20 years and started here at Anderida in 2001. I have enjoyed working at all levels in Anderida starting as a mentor then moving on to senior and registered manager roles, and now working as an operational Director and independently providing therapies for teams and young people.

When I am not at work, I am usually enjoying time with my gorgeous little boy, enjoying good food and spending time with close friends. There never seems to be enough time to do all these things justice, but I do try my best!
