

About yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Hello everyone,

My name is Ecaterina Tuica, but my family and friends calls me Cathy.. so, please I would like you to call me the same.. :)

I am from Romania located in south-eastern Central Europe on the lower Danube, north of the Balkan Peninsula and on the north-western shore of the Black Sea.

I was born in a touristic town named Brasov located in the Carpatho-Danubian mountains arch of Transylvania region, near to a very known place in the world, named Dracula's Castle (by real name Bran Castle).

A country where you can find a great diversity in culture, because it is inhabited by different nations such as: Germans, Hungarians, Bulgarians, Gypsies, Armenians, Greeks, Turks, Tatars, Jews, e.g.

My background is working with all kinds of people in human resources, teaching children and doing activities with old people here in the UK.

I am not married, and I have no children... maybe that's why I like very much children... and old people the most.

I love to read, walk, and hike in the mountains... gardening, bicycle, take photos... and to find happiness in every little thing.

Nice to be here under Anderida's tree, with you...

_Cathy xx
