

About Yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

My name is Elicia (she/her), I am 22 years old and a white British female. I grew up in a small town called Saffron Walden with my mum and sister and recently moved to London to live with my dad. I also have a brother who lives with his mum. I am extremely close to my sister's dad (my stepdad) and my dad's mum (my nan). My hobbies are shopping, going to the gym, being adventurous (visiting theme parks) and more. I also love spending time with those who mean most to me, listening to music, and going to festivals. Overall, I would say I am fun, outgoing, and ambitious. Although I am a Virgo, so my weaknesses are perfectionism, and self-critique, which I highly agree with.
