

## About yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Hello! I'm the aficionado of all things amusing, finding laughter in the everyday. When I'm not engrossed in sports, films, or strolling with my dog Bruno (who thinks he's a canine celebrity), I'm busy making my wife question her life choices – in the most endearing way, of course! My love for food may or may not involve epic battles with the kitchen, where my attempts at gourmet end up looking like abstract art. Amidst life's chuckles, I discover peace by the sea, where the waves create the ideal soundtrack for my adventures. Just a guy, navigating life with a side of humour, a dash of chaos, and an unwavering love for Corfu and the mesmerizing embrace of the sea.
