

About Yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Hi, I'm Matt (he/him).

I'm 33 and I moved to Eastbourne six months ago, having previously lived in Seaford and Bognor Regis. I live with my wife and two children (aged 1 and 3), who keep me very busy! I've previously worked as a carpenter, and – more recently – a primary school teacher. It was in this latter role that my passion for helping young people really developed.

I love being outside, and my passion in life is gardening. I will very happily dedicate any spare minutes I get to being in my garden, and I find it hugely therapeutic and rewarding to see things grow and bloom around me. I also like to host BBQ's (another excuse to get out in the garden!)
