

## About yourself

In a short paragraph, please tell us about yourself (you may wish to talk about; your interests, what pronoun you'd like to be referred to as, the nationality you identify with, family, gender)

Hi, my name is Ellis. I have a degree in Psychology and would one day love to go and do a masters and get a job in forensic psychology – I love murder documentaries! I have another part time job making cakes for a cafe which I have been doing since I was 16. My favorite things to bake are brownies and chocolate cake. I like working out and going to the gym and going for nice walks to explore new places.
